*Your chance to relax in the Prestigious Apartments in North Bay, Scarborough.*

With Beach Life you have the opportunity to experience the very high standards of this accommodation right on the sea front in North Bay, Scarborough. You will be given a warm welcome from us, the owners, who are also resident on site and available should you need us during your stay.

Over the coming months you can relax in the comfort of your centrally heated seaside apartment. Our rates are per apartment not per person. Unlike some other apartment holidays, our prices are inclusive of electricity, towels, bed linen and a guaranteed personal free parking space. There are no extra charges to pay whatsoever.

### **Open all year round.**

Our tariff will be of interest and can be found enclosed. When selecting your holiday dates you will see that any combination of days from a minimum of three can be booked but discounts are given on the daily rates for stays of four or more days. A 5% discount is given for stays of 4, 5 or 6 nights whilst holidays of a week or more have a 10% discount on the daily rate for the season. 14 night stays offer a huge 15% discount. Holidays can start and finish on any day of the week.

### **What is the apartment like?**

The apartment has a double bedroom, a lounge/kitchen, a bathroom with a shower over the bath and a central entrance hall. Unlike a hotel room, each apartment also has a balcony for outdoor living space, a feature normally only found abroad. An outdoor bistro set of table and chairs is provided, as are two adjustable relaxer chairs.

As the bathroom can be reached from either the bedroom or the lounge, full privacy is afforded to all guests at bedtime.

The self catering four star gold award rating assumes occupancy by two people accommodated either in a super kingsize double bed or two full size twin beds. It is possible though to accept up to two extra people free of charge under our flexible sleeping arrangements. Please ask for details. Free loan of high chair and travel cot if needed. There is a fully fitted kitchen which includes oven, hob, sink, washer/dryer, microwave, fridge/freezer and dishwasher.

The lounge has a comfortable three seater settee and arm chair and there is a dining table with seating for four people. The television has Freeview channels and a built in DVD player. A selection of DVDs are available to borrow free of charge.

### **What facilities are there?**

There is a private gymnasium, the use of which is free of charge and exclusive to the residents and guests of the Sands apartments. If you have never used a gym before and would like to give it a try, you will be given instructions about the equipment. If you wish you can listen to your own music and look out at the sea whilst exercising. On the

ground floor of Kepwick House there is a Nisa convenience shop, an ice cream/coffee bar, a bar/diner and a shop selling beach related items and renting out surf boards or bicycles.

### **What about ease of access?**

Whilst the apartments are not specially adapted to suit the disabled, anyone with impaired mobility will be pleased and relieved to note that a disabled parking bay is available in our secure private car park which will be allocated on the basis of greatest need. There are also two passenger lifts to all floors including the roof terrace. Access to the promenade, beach and car park is free of any steps. Porterage of your luggage is

included at no extra cost. All doorways are a little wider than usual which should make it easier to get into and out of the apartment. A full access statement is available on request.

### **What about the area outside the apartment?**

Ideally located on the North Bay Promenade, the apartments allow direct access to the extensive sandy beach with no roads to cross, a blessing where children and grandchildren are concerned. Fancy a quick dip in the sea? It is literally a stones throw away.

From the balcony of your apartment you can look at the tranquil woodland view which changes as one season merges into the next. If you then take the lift up onto the roof terrace you will have a full panoramic view of the whole of the North Bay from the castle at one end to the Sea life Centre at the other.

With safety in mind, the viewing terrace has railings preventing one straying too near the edge and all the apartment windows have restricted opening allowing adequate ventilation but keeping inquisitive children out of danger.

### **Meeting up with friends and family?**

Parties of up to eight can be accommodated when you book both of our apartments which are next door to each other, in which case, two guaranteed on site parking spaces are included in the price. From 2014 we also have a 2 bedroom apartment which sleeps up to 7. Please call for prices and availability.

### **Leaving the car at home?**

With so many visitor attractions close at hand and easy, level paths and promenades in each direction, the

apartments are ideally located for guests arriving without a car. The open top bus sets out on its pleasant coastal run from directly outside the apartments and another bus stop for other routes is close at hand by the beautiful Peasholm Park. The Coastliner bus from Leeds arrives and departs from this stop. If arriving by Public Transport you will be met, on request, at the train or bus station at no extra cost and will be given help in carrying your luggage.

### What price a sea view?

Every apartment at the Sands Resort has its own private balcony and access to the panoramic viewing terrace area on the roof, featuring excellent views of the sea, the castle and the parks.

This picture is taken from the roof terrace which is one floor above Beach Life Apartments and fully accessible via either lift or stairs. The roof terrace is safely fenced in and deck chairs are available for the sunny days.

Front facing apartments have a sea view from the balcony, whilst rear facing apartments have an attractive woodland view. Sheltered from the wind on the inside of the crescent shaped building, they enjoy the sun from

around 2 p.m. until sunset.

Here at Beach Life Apartments, our top floor woodland view apartments are, on average, £50 per night less expensive than sea view apartments in the same building. What could you do with an extra £50 a night spending money?

N.B. Sea view apartments have two bedrooms. (Sleep 2-4) Beach Life Apartments have one bedroom but still sleep 2-4 with flexibility and we have the option of a 2 bedroom apartment to sleep up to 7. There are no one bedroom apartments on the front so even parties of 2 must pay for the larger two bedroom apartment.
